The Uncles' Emergency Meeting

Three weeks after the secret was exposed, Jimin made one critical mistake.

He left his phone unattended.

When he returned, he discovered six BTS members sitting around his dining table.

Jin had a notebook.

Namjoon had a laptop.

Yoongi had coffee.

Hobi had snacks.

Taehyung had somehow acquired a children’s sticker book.

Jungkook had three stuffed animals.

Jimin slowly backed away.

“What are you doing?”

Jin stood.

“We’re holding an emergency family meeting.”

“Why?”

Jin pointed dramatically toward the children.

“Because we’re uncles.”

Jimin blinked.

“You’re already uncles.”

“No.”

Jin shook his head.

“We are taking our responsibilities seriously.”

Yoongi sighed.

“This was Jin’s idea.”

Jin ignored him.

“We need schedules.”

Jimin stared.

“Schedules?”

“Uncle activities.”

Jungkook raised his hand.

“I want Saturday.”

Hobi raised his hand.

“I want Sunday.”

Taehyung raised his hand.

“I want every day.”

Jimin immediately shook his head.

“No.”

The children cheered.

“Uncles!”

Jimin looked toward Y/N.

She was laughing.

“You are enjoying this.”

“Very much.”

Ji-ah's Birthday

Ji-ah’s seventh birthday arrived.

Jimin wanted a small family celebration.

The BTS members had other plans.

Jin rented decorations.

Hobi planned games.

Taehyung created an enormous photo wall.

Namjoon bought books.

Yoongi secretly bought a tiny keyboard.

Jungkook showed up carrying a giant teddy bear.

Jimin stared at the living room.

“This isn’t a birthday party.”

Jin smiled.

“Correct.”

“What is it?”

“A national celebration.”

Ji-ah walked into the room.

Everyone shouted:

"**HAPPY BIRTHDAY!**"

She gasped.

Her eyes filled with excitement.

“Daddy!”

She ran into Jimin’s arms.

“Thank you!”

Jimin kissed her forehead.

“Happy birthday, sweetheart.”

Then she spotted the giant teddy bear.

“Uncle Jungkook!”

Jungkook proudly handed it over.

“For you.”

She hugged him.

“Thank you!”

Jungkook looked emotional.

“She loves me.”

Jimin rolled his eyes.

“Don’t get used to it.”

The Cake Disaster

Jimin’s mother had ordered an elegant birthday cake.

It was beautiful.

White frosting.

Pink flowers.

Gold decorations.

Perfect.

Until Ji-ho approached it.

Jimin noticed him too late.

“Ji-ho…”

The four-year-old stared at the cake.

“Can I touch it?”

“No.”

“Why?”

“Because it’s your sister’s cake.”

Ji-ho nodded.

Then he walked away.

Jimin relaxed.

Five seconds later—

PLOP.

A tiny handprint appeared directly in the frosting.

Everyone froze.

Ji-ho smiled.

“I touched it.”

Jin burst out laughing.

Jimin covered his face.

Y/N was trying desperately not to laugh.

Ji-ah giggled.

“Ji-ho!”

The entire room dissolved into laughter.

Eventually, Jimin kissed his son’s forehead.

“You’re lucky you’re cute.”

Ji-ho smiled.

“I know.”

Yoongi nodded.

“Definitely your son.”

Jimin Gets Jealous

Jimin discovered something terrible.

Ji-ah had a new favorite uncle.

Taehyung.

They were sitting together drawing.

Ji-ah giggled.

“Uncle Tae, look!”

Taehyung smiled.

“Beautiful!”

Jimin walked over.

“What are you drawing?”

“A picture of me and Uncle Tae.”

Jimin froze.

“No Daddy?”

“No.”

“Why?”

“Because Uncle Tae makes funny faces.”

Taehyung immediately made a ridiculous face.

Ji-ah burst out laughing.

Jimin crossed his arms.

“I make funny faces.”

Ji-ah looked at him.

“No, Daddy.”

“Excuse me?”

“You make romantic faces.”

Everyone started laughing.

Y/N nearly dropped her drink.

Jimin’s ears turned red.

“Who taught you that word?”

Ji-ah pointed at Hobi.

Hobi immediately defended himself.

“I taught her absolutely nothing.”

Y/N's Family Meets BTS

Y/N’s family came to visit.

The BTS members were nervous.

Jin whispered:

“What if she don’t like us?”

Yoongi stared at him.

“Why would they care about us?”

“Because we’re the children’s uncles.”

“You aren’t marrying her.”

Jin frowned.

“Still.”

When Y/N’s family arrived, everyone bowed politely.

Jimin held Y/N’s hand.

Her family smiled.

One relative looked at the six members.

“So you’re the famous uncles.”

Jungkook nodded proudly.

“Yes.”

Jin stepped forward.

“I’m the handsome uncle.”

Yoongi whispered:

“Nobody asked.”

Everyone laughed.

Soon, the two families were talking comfortably.

Jimin watched Y/N smiling with her relatives.

His heart warmed.

She had always been his home.

Now their families were becoming one big family too.

Ji-ho Discovers Music

Yoongi placed the tiny keyboard in front of Ji-ho.

“Try this.”

Ji-ho pressed a key.

Ding.

He pressed another.

Ding.

Then another.

DING DING DING DING DING!

Yoongi blinked.

“Interesting.”

Jimin laughed.

“Does that mean he’s talented?”

Yoongi nodded seriously.

“Either talented or dangerous.”

Ji-ho continued playing.

Hobi started dancing.

Taehyung grabbed a toy microphone.

Jungkook began beatboxing.

Jin sang dramatically.

Namjoon covered his ears.

Jimin stared at the chaos.

“What have I created?”

Y/N smiled.

“A musical family.”

The First Family Photoshoot

A professional photographer was hired for a private family shoot.

Jimin wanted one beautiful family portrait.

That was the plan.

The reality was different.

Ji-ah wouldn’t stop giggling.

Ji-ho kept running away.

Jungkook made bunny ears behind Jin.

Taehyung kept changing poses.

Hobi danced between photographs.

Yoongi simply sat down.

Namjoon accidentally knocked over a decorative plant.

Jin complained about his hair.

Finally, the photographer took one photograph.

Everyone was laughing.

Jimin looked at it.

It was imperfect.

But beautiful.

Y/N stood beside him.

“This one.”

He nodded.

“Definitely.”

Fans Become Protective

Fans continued discussing the idol’s family online.

Many comments were surprisingly warm.

People admired Jimin’s request for privacy.

Some fans created supportive messages.

Others joked about the six uncles.

One popular fan post read:

“Forget BTS. The real question is which uncle is the children’s favorite.”

Another said:

“Jin definitely spoils them.”

Someone replied:

“Yoongi secretly spoils them and pretends he doesn’t.”

Yoongi saw the post.

He frowned.

“How do they know?”

Jimin laughed.

“Because it’s obvious.”

Y/N and Jimin's Date Night

For the first time in months, Jimin and Y/N had an evening alone.

The children were staying with Jimin’s parents.

Jimin wore a simple outfit.

Y/N smiled.

“You look handsome.”

“So do you.”

They walked together quietly.

No cameras.

No schedules.

No chaos.

Just them.

Jimin reached for her hand.

“I’m glad we made it through everything.”

Y/N smiled.

“Me too.”

He kissed her forehead.

“I’d choose you again.”

She leaned against him.

“And I’d choose you.”

For a while, they simply walked.

Then Jimin's phone rang.

It was Jin.

Jimin answered.

"What?"

Jin shouted:

"JIMIN! YOUR SON JUST PUT A SOCK ON YOONGI'S HEAD!"

Jimin closed his eyes.

Y/N burst out laughing.

"Date night is over."

More Than Secrets

That night, Jimin returned home.

Ji-ah ran into his arms.

“Daddy!”

Ji-ho followed.

“Daddy!”

Y/N smiled.

Jimin hugged all three.

Behind them stood the six members.

Jin had Ji-ah’s birthday crown on his head.

Yoongi was still wearing the sock.

Jungkook was laughing.

Jimin stared.

“Why?”

Ji-ho pointed.

“Uncle Yoongi is funny!”

Yoongi sighed.

Jimin laughed.

His secret life was no longer something he needed to hide from the people closest to him.

It was simply his family.

And he loved every chaotic second.
